- Installed in any vehicle: pick-up, jeep, Humvee, ATV, etc. providing access to locations normally inaccessible to conventional equipment
- Can be configured to operate any US made pipeline inspection equipment
- Single conductor or multi-conductor configurations available

CONTROL CONSOLE

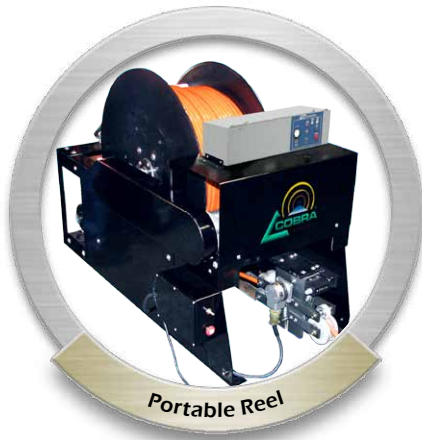

- Can be installed in Water-Resistant, lightweight, impact resistant shipping case
- Control Console contains all the features found in truck-mounted mainline system including: CD/DVD Writer, Crawler Control, PTZ Camera Control and Cobra Data Logger
- Power Supply: 110 VAC
- Portable case dimensions: 22"Hx19"Wx14"D

PORTABLE REEL

- Installed on lightweight handcart
- Removed from handcart by removing "fast" pins
- Designed to hold up to 800 ft. 7/16" cable
- Electric rewind gear motor with electric clutch and speed control
- Power level wind assembly
- Interlock brake to prevent cable overruns
- Water-Resistant control box with LED footage display

Portable Control Box

Portable Reel

"There is not a better system on the market; the Cobra equipment is fantastic. It just continues to run day after day. The crawlers are used every day and give us the ability to turn in high production."
