

Storm Crawler

**Pipe inspection from
24" to 120"**

- Increase your large pipeline inspection capabilities
- Maximize productivity and in rough, rugged conditions
- Reduced maintenance and down time costs
- Improve power and performance

FEATURES

- Provides pipe inspection capabilities to 120 inches
- No additional power supply needed for large pipe inspections
- Remote controlled Gantry
- Gantry defaults to closed position automatically in the event of a power failure
- Gantry can also be used on the Cobra 8" and Steerable crawlers
- Single connector at rear of crawler. Swivel connector reduces wear and damage to pigtail - a major source of problems
- Utilizes chain versus cables to connect to video cable
- Automatic free wheel clutch
- Industry compatible. Cobra Crawlers can be installed on any multi-conductor system with an appropriate adaptor cable

All Specifications subject to change.
